BÅDCAFEEN

- A cute little boat that has been made into a café. Located on the water, obviously lol, hence it's difficult to say exactly where in Aarhus the boat is located.
- Depends on the season.
- But don't worry, we'll find it if we want to go there.

ST. PAULS APOTHE K BAR

PUBS IN JÆGERGÅRD SGADE

- Several pubs in Jægergårdsgade offer cheap "Aarhus Sæt" (a beer + arnbitter shot) and gives you the opportunity to play dart, with dices or cards. Very chill.

A vibrant night scene at a social gathering, likely a club or party. In the foreground, a DJ wearing a white shirt and blue jeans is seen from behind, operating a turntable. The room is filled with people dancing, mostly young adults, under colorful stage lights. A large screen on the right displays a video of a person. In the background, a wooden wall features a sign that reads "Spanret for gennemkørsel".

BODEGAEN

Classic bodega. Small place, chill, drink a beer while playing card games etc.

If you 'check in' at Bodegaen on Facebook, they'll give you a free shot :D

GULDHORNENE

- Have you ever dreamt of becoming a knight? Now is your chance: Drink 5 liters of beer in one night at this bar and receive a diploma. Or settle with a more reasonable amount of beer while playing beer pong or flip cup.

cafe Guldhornene

DER KUHSTALL

- Another German inspired bar playing (amongst other genres of course) a lot of German afterskii music
- A place to dance

PARADIS

G BAR

BE YOURSELF - AND DANCE

- Known for their theme parties, long happy hours and cheap drinks, being the biggest gay bar in Aarhus (however, everyone is welcome, you don't have to be gay), won the 2017 award for "best place to party" in Aarhus
